Commissioner for Patents

The reply filed on March 22, 2011 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): In responding to the rejection of claim 20 under 35 USC 112, first paragraph, applicants have set forth a definition of "essentially free" and argued that this definition is accepted under U.S. patent law; however, applicants have failed to provide a citation or clear rationale supporting their position that this language is accepted under U.S. patent law. Since this issue is material in determining whether claim 20 and new claim 23 comply with 35 USC 112, first paragraph, applicants are required to provide such a citation or further elaborate on their position, so that the acceptability of the language can be ascertained. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to R. Sergent at telephone number (571)272-1079.
